Parent Letter No 29 (Years 9, 10, 11 students)

Dear Parent / Carer

School Surveys

We are writing to inform you that, throughout this academic year, we will be conducting a series of surveys which will involve students, staff, parents and governors of the school. The purpose of these surveys will be to help us improve our services by taking into consideration the views of our students and the wider community when planning future development of the school.

All surveys are conducted to ensure confidentiality. Your son's / daughter's name will not be made available in any publication or shared with staff or other students. Most surveys are conducted electronically and personal details are not asked for unless necessary.

We would also like to draw your attention to three surveys in particular which are to be conducted in the near future. Two of these have been set by national and county bodies, whilst we ourselves have compiled our own whole school survey. The details are listed below:

- | | | |
|--------------------------|---------------------|---------------|
| • Wolgarston High School | House Review | November 2009 |
| • National Survey | "Tell Us" | November 2009 |
| • Staffordshire Pledge | Bullying Survey | November 2009 |
| • Wolgarston High School | Whole School Survey | February 2010 |

Throughout the year, further surveys may be conducted and details will be published on our school website.

Finally, for information, parents have the right to remove their son / daughter from taking part in school surveys and we would ask that you contact the school if this should be your wish. Our school telephone number is 01785 788840 or, alternatively you may wish to e-mail on office@wolgarston.staffs.sch.uk.

Yours sincerely

Mr C Curtis
Director of Student Performance
