

History Curriculum page

History is the study of the past. It allows us to understand the events that have occurred and how they have shaped the world we live in today. History allows us to see the consequences of people’s actions, learn from past events and predict what may happen in the future. To be a historian is to be someone who thinks critically, recognises bias and asks questions of the world that they live in.

Our KS3 curriculum

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 9	Should we be known as the ‘disunited kingdom’ (A history of the relationship between England, Ireland, Scotland and Wales)	Why has the Olympics not always been about sport? (A look at various significant events which have happened during the Olympics in the 20th century)	How should we remember the First World War? (A study of the causes, events and consequences of WWI, including examining local war memorials)	An age of intolerance? How can we define US history between 1919 and 1941?	To what extent did the Second World War only cause death, destruction and misery?	How did Britain change after World War II? (A study of Post war Britain with a focus on immigration and changes for women)

Our KS4 curriculum
